SOAR Annual Meeting - September 29 Chicago Shakespeare Theater

SOAR's Annual Meeting presented by Yolk is **Wednesday, September 29th** at the beautiful Chicago Shakespeare Theater on Navy Pier. Registration will begin at 6:00 p.m. with a program starting at 6:30 p.m. There will be a guest speaker followed by the Beautification Awards and a short business meeting.

In 1999, Chicago Shakespeare Theater opened its new, $24-million, state-of-the-art facility on Navy Pier. Invited to the Pier by State and City authorities, the world-class Theater has lived up to its reputation. Sir Peter Hall, Founder of Great Britain's Royal Shakespeare Company, calls it "one of the best, if not the best, Shakespeare spaces in the world."

SOAR is grateful to our presenting sponsor Yolk and the Chicago Shakespeare Theater for hosting this year's Annual Meeting.

Please RSVP to annual@soarchicago.org or by calling 312.280.2596 no later than September 27.

The Power of Water Efficiency

Water conservation and efficiency is about rethinking how we use water and what is can mean for the lakes.

Among the many water-savings tips for your home is to make sure the dishwasher is full before you turn it on. There is no need to pre-rinse, since most of today's models can handle any kind of grime.
